

Mike Tyson V Peter McNeely 1995

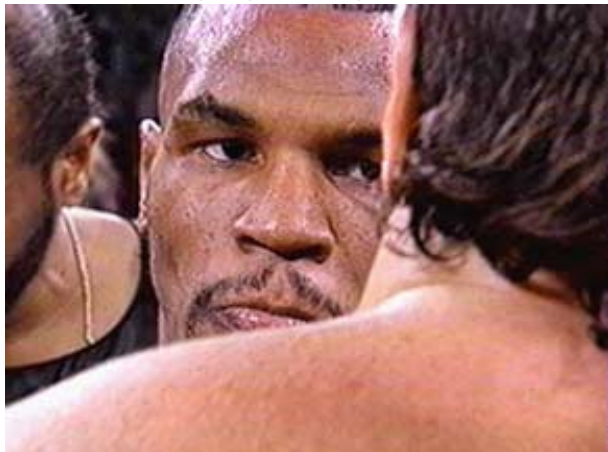

Tyson's first fight after his 4-year absence was highly awaited and so the Tyson vs McNeely fight set a new PPV sales record.

The fight could not hold true the high expectations. Far from that, the bout became a joke when McNeely's trainer stormed into the ring in round one in order to save his fighter from any more punishment.

Peter McNeely who put on an embarrassing show and refused to fight like a boxer should..

The 'Hurricane' Peter McNeely was a breeze.

A disappointing evening for Tyson who did not have the chance to do his job properly and especially for the crowd and the people who paid a to watch the fight either at home or at ringside.
